

The Difference Between Conservatives And Liberals

If a conservative doesn't like guns, he doesn't buy one.

If a liberal doesn't like guns, he wants all guns outlawed.

If a conservative is a vegetarian, he doesn't eat meat.

If a liberal is a vegetarian, he wants all meat products banned for everyone.

If a conservative sees a foreign threat, he thinks about how to defeat his enemy.

A liberal wonders how to surrender gracefully and still look good.

If a conservative is homosexual, he quietly leads his life.

If a liberal is homosexual, he demands legislated respect.

If a person of color is conservative, they see themselves as independently successful.

Their liberal counterparts see themselves as victims in need of government protection.

If a conservative is down-and-out, he thinks about how to better his situation.

A liberal wonders who is going to take care of him.

If a conservative doesn't like a talk show host, he switches channels.

Liberals demand that those they don't like be shut down.

If a conservative is a non-believer, he doesn't go to church.

A liberal non-believer wants any mention of God and religion silenced--unless it's a foreign religion, of course!

If a conservative decides he needs healthcare, he goes about shopping for it, or may choose a job that provides it.

A liberal demands that the rest of us pay for his.

If a conservative slips and falls in a store, he gets up, laughs and is embarrassed.

If a liberal slips and falls, he grabs his neck, moans like he's in labor and then sues.

If a conservative reads this, he'll show it to his friends and have a good laugh.

A liberal will delete it because he's 'offended'
