

## WHY I VOTED DEMOCRATIC Top 12 Reasons....A List That Explains Most Everything

\*When your friends cannot explain why they voted for Democrats, give them this list. They can then pick their reasons from this "TOP 12"...

1. I voted Democrat because I believe oil companies' profits of 4% on a gallon of gas are obscene, but the government taxing the same gallon of gas at 15% isn't.
2. I voted Democrat because I believe the government will do a better job of spending the money I earn than I would.
3. I voted Democrat because Freedom of Speech is fine as long as nobody is offended by it.
4. I voted Democrat because I'm way too irresponsible to own a gun, and I know that my local police are all I need to protect me from murderers and thieves.
5. I voted Democrat because I believe that people who can't tell us if it will rain on Friday can tell us that the polar ice caps will melt away in ten years if I don't start driving a Prius.
6. I voted Democrat because I'm not concerned about millions of babies being aborted so long as we keep all death row inmates alive.
7. I voted Democrat because I think illegal aliens have a right to free health care, education, and Social Security benefits.
8. I voted Democrat because I believe that business should not be allowed to make profits for themselves. They need to break even and give the rest away to the government for redistribution as the Democrats see fit.
9. I voted Democrat because I believe liberal judges need to rewrite the Constitution every few days to suit some fringe kooks who would never get their agendas past the voters.
10. I voted Democrat because I think that it's better to pay billions to people who hate us for their oil, but not drill our own because it might upset some endangered beetle or gopher.
11. I voted Democrat because although we live in the greatest, most wonderful

country in the world, I was promised "HOPE AND CHANGE".

12. I voted Democrat because my blinders are on so firmly that it's unlikely that I'll ever have another point of view.

AND THE WINNER IS.....NUMBER TWELVE!!

And this bears repeating -----

**Thomas Jefferson said in 1802:**

**I believe that banking institutions are more dangerous to our liberties than standing armies. If the American people ever allow private banks to control the issue of their currency, first by inflation, then by deflation, the banks and corporations that will grow up around the banks will deprive the people of all property - until their children wake-up homeless on the continent their fathers conquered.**

**Democracy will cease to exist when you take away from those who are willing to work and give to those who would not.**
