Bicycle shop owner, are you tired of paying your staff to count links in worn-out bike chains and matching them to the right number of links in a new chain? Could you find more productive work for them to do if they didn't have to do this mind-numbing chore?

If you answered yes to either of these questions, then you should consider the *RACE* bike chain cloning tool. You can take pleasure in how you're saving time and money every time you use the *RACE* bike chain cloning tool. This handsome tool will look great mounted on your wall out of the way of your normal work areas, and the unit price of \$69.95 is easy on the pocketbook too.
